Checklist for Getting a Degree without Going Broke

Preface: Why This Book?

Introduction: Take Ownership of Your Financial Future

Part 1

Examining Assumptions

Thinking Realistically

Trap 1: Everyone Must Go to a Four-Year College

Be true to how you're wired

Trap 2: It's All Just Going to Work Out

Understand why college is expensive, and take responsibility for how you pay for it

Part 2

Making Smart Decisions

Knowing Your Options

Trap 3: Spend a Fortune on Prestige (and Other Bad Ideas)

Let your head lead your heart

Trap 4: Choose Your Major on a Whim

Know what you're getting into

Trap 5: Student Loans Are Always Worth It

Develop awareness and exercise foresight

Part 3
Taking Charge
Earning and Managing Your Money

Trap 6: I Can't Get Meaningful Work during College
Be creative and resourceful — you'll set yourself up for long-term success

Trap 7: I Can't Control My Expenses
If you don't, who will?

Part 4
Keeping It Going
Succeeding after College

Trap 8: Finding a High-Paying Job Will Be a Breeze
Set yourself up for professional and financial success

Trap 9: I've Got a Paycheck and Can Finally Live It Up!
Live within your means while pursuing financial independence

Conclusion: Be Free from Student Debt So You Can Live with Impact
